Staff Insurance Scheme, but at the slightly reduced cover (staff - day 11 / senior staff - day 16)</p> <p>Grounds Maintenance:- This contract is currently with the L.A. and governors considered the relative merits of this and other options based on information offered by S.G. and the H.T.</p> <p>Resolved: That the school formally leave the L.A. scheme at the end of the current financial year and that the procurement of alternative necessary services be referred to the Resources Committee.</p> <p>Photocopying :- Alternatives have been progressed through NYCC procurement and a new contractor has been secured for September at a saving of £461 annually.</p> <p>MASS Contract:- S.G. outlined some packages from alternative contractors which would be cheaper.</p>	<p>S.G.</p> <p>S.G. GB58/13 cont	<ul style="list-style-type: none"> • The committee structure has helped to channel focus to areas that were not being given the in-depth consideration needed – there is now a stronger hold on the agenda for school improvement. • The former practice of ‘follow on’ meetings made G.B. business feel very rushed – there is now time for much greater consideration of the issues and the smaller groups feel better informed about the work of the school. • It’s important that all governors enjoy the experience, so a review of practice is important. • Governors may feel more fully informed if they receive all the supporting papers for both committees and can join a meeting if there is an aspect up for discussion in which they have a particular interest. <p>Resolved :</p> <p>a) That for the new academic year (2014/15) there will be 1 Improvement Committee meeting per term instead of 2;</p> <p>b) That the Agenda and supporting papers for each Committee meeting are forwarded to all governors.</p>	<p>Chair</p> <p>Clerk</p>

GB 60/13	<p><u>School Website</u> The H.T. gave an overview of the development of the new website, now hosted by Schools ICT, but managed by the H.T. and a demonstration was given on the whiteboard.</p> <p>Governors felt that this was improved and made suggestions for further developments :-</p> <p>Governor Question 3:- Do you have a feedback section ? Answer: - There are parental comments in the speech bubbles at the bottom, but that would be a good idea. All agreed that this would be almost like a visitor comments book about either the website or the school in general.</p> <p>Governor Question 4:- On the homepage, somewhere in bold, would it be possible to the have the Ofsted inspection judgement ? Answer: Yes, some schools have a flashing logo. Ofsted will be contacted to explore if this is a possibility.</p> <p>Governors suggested a picture of the children at the front of the school around the Ofsted ‘Good’ banner, pictures of governors and that the Minutes of G.B. meetings should be on the website also.</p> <p>Resolved :</p> <p>a) That all Minutes of G.B. meetings with the exception of confidential matters be posted on the website;</p> <p>b) That governors photos be placed on the website;</p> <p>c) That a comments section is created, the homepage includes the Ofsted judgement and there are more photos of the children in the classrooms</p>	<p>HT</p> <p>H.T.</p> <p>H.T.</p>

The H.T. outlined that a letter had been received from the Educational Visits Co-ordinator to advise the school about possible disruption in the area during the Tour de France Grand Depart (05.07.14). Governors discussed the likelihood of travel difficulties and potential solutions, but agreed that overall the school shouldn't be affected greatly. PART 'D' – PERSONNEL		
GB 64/13	<u>Confidential</u> Some elements of this Agenda item had been considered as part of GB 48/13. Discussions of a confidential nature are Minuted separately as Confidential Minute 64/13.	
GB 65/13	<u>AOB</u> a) <u>Holidays in term time</u> Governors discussed and debated the change to legislation on the taking of holidays in term time. Governors noted that the unclear guidance as to what constitutes 'exceptional circumstances' can make it difficult for the H.T. as decisions can be quite burdensome. The H.T. explained that NYCC advice to Heads is to toughen up and take a relatively harsh stance – 'exceptional' must be just that. b) <u>Getting to Outstanding</u> The Chair outlined that whilst the school are very pleased to be judged as a 'good' school, the aspiration must be to move this forward to become Outstanding. As part of this drive the Chair suggested that governors may like to invite the Chair of a G.B. judged as outstanding to a meeting to give a 15 minute talk about how their G.B. operates. Resolved: That governors would welcome this input at a G.B. meeting and that the Chair will co-ordinate plans to provide this opportunity to learn from best practice.	Chair
As there was no further business the Chair thanked all attendees and closed the meeting at 6.25 p.m.		
<u>Date & Time of next Meeting</u> – The next Full Governing Body Meeting will be on Thursday 3rd July 2014 at the school at 4.30 p.m.
