

Hunton & Arrathorne Community Primary School

Recovery Curriculum Statement

Date:	Headteacher: Mr S Donaldson
Review Date:	Chair of Governors: Mr P Barber

As a small school, with mixed age classes, we are fortunate that our staff know the children and the gaps in their learning well. Having informally assessed the children at the beginning of the year against their starting points, it became clear which children were in need of ‘catch up’ and additional support.

Teachers reflected these gaps in learning within their short term or long term plans. As a small school, the mixed age curriculum allows for consolidation and over-learning. Specific gaps in subjects will be taught in a cross-curricular way or through lesson starters to ensure children are able to ‘keep up’ with the curriculum, but ‘catch up’ on vital skills which may have been missed.

To complement this, school has invested in online resources which can help children learn basic skills.

Our ‘Catch-Up Funding’ plan is able to provide more detail.
