Introduction

This Single Equality Scheme for schools in North Yorkshire provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

The scheme also highlights how our school has worked with and listened to the staff, pupils, parents and carers to inform development of action plans and the need and commitment required to ensure the scheme is a success. This is underpinned by a commitment to promoting positive relationships and understanding between all groups within our school community.

This document sets out how pupils with the following protected characteristics will be protected in our school from harassment and discrimination:-

- disability.
- gender.
- race.
- religion and belief.
- sexual orientation.
- gender reassignment.
- pregnancy and maternity.

The law on disability discrimination is different from the rest of the Equalities Act in a number of ways. In particular, it works in only one direction – that is to say, it protects disabled people but not people who are not disabled. This means that schools are allowed to treat disabled pupils more favourably than non-disabled pupils, and in some cases are required to do so, by making reasonable adjustments to put them on a more level footing with pupils without disabilities. The definition of what constitutes discrimination is more complex. Provision for disabled pupils is closely connected with the regime for children with special educational needs. Chapter 4 of the Act deals in detail with disability issues.

This scheme extends however to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families).

As well as delivering high quality services to our pupils, the school is also committed to being a good employer and as such this scheme outlines how we meet our varied duties in terms of recruitment and employment practices. We are also committed to be fully inclusive of all community users, including parents and carers. As such, this scheme therefore also sets out how we will work to overcome any discrimination related to the other protected characteristics:-

- Age*
- Being married or in a civil partnership

*A person's age is also a protected characteristic in relation to employment and the Act extends this (except for children) to the provision of goods and services, but age as a protected characteristic does not apply to pupils in schools. Schools therefore remain free to admit and organise children in age groups and to treat pupils in ways appropriate to their age and stage of development without risk of legal challenge, even in the case of pupils over the age of 18.

The impact of this scheme is reported on annually.

Aims of the Single Equality Scheme

- To articulate the school's commitment to equality which permeates all school policies and practices
- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation
- To comply with statutory duties under equalities legislation in one document

Purpose of the Equality Scheme

This equality scheme is the school's response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010 (see appendix 1). It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular groups of pupils.

Planning to eliminate discrimination and promote equality of opportunity

This scheme is underpinned by the core belief that all children and young people belong to their local community and share the same rights to membership of that community and a quality education. We set equality objectives with associated actions which are outlined within our equalities action plan that accompanies this Equality Scheme. Our plan identifies what we will be doing over the coming year to make our school more accessible to the whole community, irrespective of background or need. (see appendix 2 below)

It encompasses our duties to promote positive outcomes in relation to race, gender and disability, but also identifies actions to address other social identities. It encompasses our **anticipatory duties to plan ahead for the reasonable adjustments** (reasonable and proportionate steps to overcome barriers that may impede some pupils) we need to make to be best placed to help disabled pupils who come to our school.

This action plan replaces the school's Disability Accessibility Plan for the school (previously required under the planning duties in the Disability Discrimination Act) as it sets out how the school will increase access to education for disabled pupils, alongside other protected groups, in the three areas required:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- improving the availability of accessible information to disabled pupils.

The action plan is renewed annually and progress towards the equality objectives within it is reported on regularly to governors, and this information is published at least annually. Equality objectives have been identified through consultation with key stakeholders. Our equality objectives are published at least once every four years.

This action plan is understood and implemented by all staff and is available on the school website. It is available in different formats and in different languages on request to the school office.

Our school has regard to the need to provide adequate resources for implementing plans and must regularly review them. (NB An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.)

Our school records all prejudice based and hate incidents and reports them to the Local Authority, in line with the guidance, which can be found at:

<http://cyps.northyorks.gov.uk/equalities-and-diversity>. Pupils and staff are encouraged to report incidents and the school responds effectively, aiming to eliminate all forms of discrimination and prejudiced based incidents.

What kind of a school are we?

School Vision and Values

Our vision is for our children to develop into caring, open-minded, confident individuals who are able to take their place in our changing world by developing enquiring minds and the skills needed for lifelong learning working towards achieving their ultimate potential.

The school's vision and values statement reflects the school's ambitions for all its pupils and have been developed with the whole community. It refers to the key requirements set out in the National Curriculum Inclusion Statement

<https://www.gov.uk/government/publications/national-curriculum-in-england-framework-for->

[key-stages-1-to-4/the-national-curriculum-in-england-framework-for-key-stages-1-to-4](#) for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment, for individuals and groups of pupils.

The school is committed to addressing any actions which are identified to improve our inclusive practice.

School Context

The nature of the school population and context to inform action planning for the equality scheme

Factors of the geographical location of the school:-

Hunton & Arrathorne CP School is at the centre of a small village in Lower Wensleydale. Current roll stands at 58 pupils. The school usually has a number of Forces children in attendance - currently there are 10 children on roll from an army background. Just over half of the pupils come from Hunton and Arrathorne and the immediate outlying farms/houses.

A very small percentage of children from an ethnic minority group currently attend the school and all children have English as their first language. 19% of children have Special Educational Needs and 3.44% of children have an EHCP. The school's stability over the last 3 year has been below the national average and our numbers do fluctuate Pupil mobility in 2018-19 was 43%. 3.4% of pupils have FSM. 3.4% are LAC.

For a small school we have children from many wards. We have a mixed catchment area and do not just receive children from the surrounding area.

On entry, school assesses in line with Reception Baseline and have found that the majority of pupils are within the 30-50 months band or 40-60 months.

The headteacher shares the teaching of KS2 with 2 teachers. The school is an equal opportunities employer and applicants for posts are required to complete an equal opportunities form

We have not appointed a new teacher since 2013. We have a full governing body.

The school has 2 separate buildings - the main building housing Y2-Y6 children, ICT suite and offices and has two floors, the upper one of which has no disabled access; the FS/Y1 building to the rear. School lunches are served in the main building and eaten in classrooms. School dinners are provided by a school at nearby Catterick Garrison. This building has disabled access and a disabled toilet.

The training taken to position the school well for the equality and diversity agenda.

Staff attending to pupils with a medical plan have had training from health professionals involved with the child. Staff have attended Restrictive Physical Intervention Training. The use of pejorative language is challenged. Staff regularly updated on needs of pupils as appropriate following meetings and reports received.

Governor training on fair recruitment practices as needed. SENCO fed back to staff and governors on the SEND Cod of Practice 2014. Staff training on new RSE legislation to be fed back to staff at PD Day April 2020.

Staff training on supporting Pupil Premium pupils (LAC) attended 2018

School provision

Examples of reasonable adjustments the school makes as a matter of course

From September 2012 schools and local authorities have a duty to supply auxiliary aids and services as reasonable adjustments where these are not being supplied through Special Educational Needs (SEN) statements or from other sources. Additional high needs funding may be available on application to the local authority.

The school has a leaflet board in the entrance hall containing leaflets we are sent to share with parents/carers. Any information that is sent specifically for some pupils is given to them directly.

Displays around school have visual and language cues. ICT is used to support pupils. Communications with parents are made by letter, phone, text, e-mail, notice board and playground blackboard.

The behaviour policy has been developed to respond to positive and negative behaviours and gives children with behavioural difficulties opportunities to modify their behaviour.

SEN provision maps are reviewed termly. They could be shared more with pupils and their input noted.

Outcomes for pupils

Outcomes for pupils are analysed against social identity issues, i.e. gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school. This is compared with the outcomes made for all pupils.

These processes form part of the school's equality impact assessment to determine the impact of our provision on improving outcomes for identified pupils. In line with statutory requirements all new policies as well as existing policies and functions are evaluated for the impact they have, in consultation with identified pupils and parents/carers.

- Pupils achieve well at school. Progress of vulnerable groups are tracked through school and closely monitored. If vulnerable children don't appear to be making appropriate progress then intervention programmes are used and appropriate training is accessed.
- School has had two returns for incidents of racism in the last 12 years. We have had no incidents of 'hate' and bullying is dealt with as soon as possible.
- Questionnaires for children (2019) showed 100% said they always felt safe coming to school and 100% of parents said their child felt safe coming to school (questionnaire 2019).
- School has not had to exclude a pupil in the last 11 years and the last OFSTED (2018) judged behaviour to be Good.
- School is working towards the North Yorkshire Healthy Schools Award. All pupils participate in 2 hours PE a week and all are welcome to attend after school clubs at some stage through the school year. Most children take part in School Sports Partnership activities. PE Premium has been spent on raising the profile of PE including experience of new sporting activities like rugby, archery, golf and judo. All children in the school have weekly swimming lessons.
- All pupils attend school trips and attempts are made to access extra funding where possible to achieve this. Outdoor Activity residential trips take place at North Yorkshire owned venues and lack of funding is not a barrier to attendance – Pupil Premium. Residential trips include visits to London or Edinburgh to ensure our children experience different localities.
- School attendance is above average with no pupil identified with persistent absenteeism. General absence shows a decreasing trend.
- Parents evening attendance is usually 97%+. This is not unusual. Parents said that they feel well informed about the progress of their children. (OFSTED 2018)

- Pupil Premium report show these pupils generally make at least expected progress and more in some cases
- SEN children have made more than expected progress from KS1 to KS2.

Equalities objectives

Our Equalities Objectives, based on needs analysis, for the period 2019-2023 are:

- to narrow the gap in performance of SEND pupils;
- to foster gender equality and LGBT+ (lesbian, gay, bisexual, trans) equality and challenge all forms of discrimination in RSE lessons and in every-day school life
- to promote safe, equal, caring and enjoyable relationships
- to increase understanding of different religious groups;
- to encourage pupils to consider non-stereotyped career options;

We have identified these objectives because:

- A review of our PSHE policy and RSE Policy in line with new legislation reveals that the content of our scheme of work needs to be updated.
- Data analysis shows that, whilst vulnerable pupils make progress there is still a gap in attainment
- A review of our RE scheme of work has allowed us to update our objectives and this scheme allows us to reflect that.
- In focusing on increasing aspiration in our pupils we have endeavoured to ensure that career options are not stereotyped.

Indicators of progress towards the objectives are reviewed annually and recorded in the action plan (see appendix 2). SEND progress is planned separately as part of the SDP. RE implementation is an update to be monitored.

Involvement Processes

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme and the equalities objectives, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from

different social identity backgrounds and learns the best ways to overcome such barriers. This Scheme and equalities objectives will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;
- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

Mechanisms for involvement

At this school the following mechanisms will ensure the views of **pupils** inform the equality objectives and action plan:

- *School Council*
- *Annual Pupil questionnaire*
- *Individual interviews with pupils involved in incidents of a discriminatory nature or bullying related to discrimination;*
- *Discussions in PSHE lessons*

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme, objectives and action plan:

- *Exit interviews with staff;*
- *Regular staff meetings with specific agenda items;*
- *Individual discussions with staff as a part of performance management*

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme, objectives and action plan:

- *Welcoming parents and the community into school so that they are critical drivers in policy development.*
- *Text to be inserted into communication with parents: "your support for your child's education is crucial to their progress. Please tell us if there is any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender."*
- *Feedback through the Governing Body meetings;*
- *Feedback through the PTA meetings;*
- *Feedback from adults using the school beyond the school day;*
- *Annual parent questionnaire*

The school's action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the four years (maximum) of this Scheme and the equalities objectives. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils, staff and parents will improve and deepen over time.

Making it happen

Action Planning

Although it is no longer a requirement for schools to have an equality action plan, those schools which do already have one (or more) of these in place, may find it helpful to continue with this approach and adapt it to take into account the extent of the duty. (5.27 DfE Equalities Guidance May 2014)

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Governing Body.

The action plan that identifies the equality objectives for the school arising from this scheme and the impact assessment (schools could use the Inclusion Quality Mark) has:

- clear allocation of responsibility;
- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme and progress with the equalities objectives will be evaluated and reflected in:

- school self-evaluation;
- pupil progress, outcomes and engagement,
- feedback e.g. Parentview, pupil voice

Reporting

This Scheme and equalities objectives will be reported on annually. Progress against the action plan will be evaluated and the impact of the action and activities assessed. Copies will be displayed in the school reception area and the school website and it will be referenced in school newsletters and in the school's prospectus.

Publication

Equalities objectives will be published and available to anyone requesting a copy. Copies will be displayed in the school reception area and it will be referenced in school newsletters, the school prospectus and on the school's website.

Information is published demonstrating how the school is complying with the Public Sector Equality Duty and the school's equality objectives. The school updates its published information at least annually and publishes the equality objectives at least every four years.

It will be up to schools themselves to decide in what format they publish equality information. For most schools, the simplest approach may be to set up an equalities page on their website where all this information is present or links to it are available. The regulations are not prescriptive and it will be entirely up to schools to decide how they publish the information, so long as it is accessible to those members of the school community and the public who want to see it. (5.25 DfE Equalities Guidance May 2014)

Schools' duties around accessibility for disabled pupils

4.28 Schools and LAs need to carry out accessibility planning for disabled pupils. These are the same duties as previously existed under the DDA and have been replicated in the Equality Act 2010.

4.29 Schools must implement accessibility plans which are aimed at:

- increasing the extent to which disabled pupils can participate in the curriculum;*
- improving the physical environment of schools to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and*
- improving the availability of accessible information to disabled pupils.*

4.30 Schools will also need to have regard to the need to provide adequate resources for implementing plans and must regularly review them. An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.

4.31 OFSTED inspections may include a school's accessibility plan as part of their review

See <http://cyps.northyorks.gov.uk/equalities-and-diversity> for an example of an accessibility plan.

This document relates to the The Equality Act 2010 and schools: Departmental advice for school leaders, school staff, governing bodies and local authorities May 2014, updated June 2018 DfE

<https://www.gov.uk/government/publications/equality-act-2010-advice-for-schools>

This is for:

- school leaders
- school staff
- governing bodies

It applies to:

- local-authority-maintained schools
- academies and free schools
- local authorities
- non-maintained special schools
- independent schools

5.16 Under specific duties set out in previous equality legislation, schools were required to produce equality schemes in relation to race, disability and gender. Under the specific duties there are no requirements to create equality schemes. But schools may choose to continue producing such a scheme, if it helps them to comply with the Equality Duty, and they can expand it to cover the additional protected characteristics

Appendix 1: Equality Legislation and Guidance

This equality scheme responds to the current equalities legislation.

- The Equality Act 2010 is the overarching legislation for all equality duties.

The act serves two main purposes:

- a) To harmonise discrimination law;
- b) To strengthen the law to support progress on equality.

The act supersedes or strengthens the following acts and regulations:

- The Equal Pay Act 1970
- The Sex Discrimination Act 1975
- The Race Relations Act 1976
- The Disability Discrimination Act 1995
- The Employment Equality (Religion & Belief and Sexual Orientation) Regulations 2003
- The Employment Equality (Age) Regulations 2006
- The Equality Act 2006 Part 2
- The Equality Act (Sexual Orientation) Regulations 2007
- The SEN Code of Practice 2001

Overview of previous equalities legislation which has been harmonised and strengthened by Equality Act 2010:

- Race Relations Act (RRA) 1976/2000
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;

- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007
The Act sets out that it is unlawful for schools to discriminate against a person:
 - a) in the terms on which it offers to admit him/her as a pupil;
 - b) by refusing to accept an application to admit him/her as a pupil, or
 - c) where he/she is a pupil of the establishment:
 - i) in the way in which it affords him/her access to any benefit, facility or service,
 - ii) by refusing him/her access to a benefit, facility or service,
 - iii) by excluding him/her from the establishment,
 - iv) by subjecting him/her to any other detriment.
- Disability Discrimination Act (DDA) 1995/2005
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion.
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."
