Thursday 15th April

Allergies in School

Dear Parents,

We take our responsibilities towards allergies incredibly seriously. We are therefore updating our records of children who have allergies within school.

We would be grateful if you could return this letter to the school office with the information attached – equally, if your child does not have any allergies, please still return the form to help us create a full and correct picture. We will then contact families of pupils who we were not aware of having allergies to allow us to establish an action plan should they have a reaction in school.

If you have any questions, please do not hesitate to contact the Office.

Yours Sincerely,

Mr. S Donaldson
Headteacher
