Friday 5<sup>th</sup> December 2025

Dear Parents,

It has been another wonderful week. Alongside lots of learning in classrooms, our oldest children represented our school in a Sports hall Athletics competition and came in an astonishing FIRST PLACE! What a super example of excelling! Year 6 have also created Christmas cards to share in the village, whilst Year 4 worked hard delivering them. It is great to get out into our village and hopefully continue to achieve one of our aims, 'to make our village smile'.

When Monday comes, we will officially be in the final fortnight before Christmas. Our nativity performances of 'The King is Born' often feel like the start of the celebrations in school and definitely helps with the festive feeling. We have seen some of the rehearsals and the audience are in for a real treat! We also have our Christmas Lunch to look forward to next Friday – as well as a visit from Chris from Open Door Art. There is lots to look forward to next week!

Have a good weekend.

Mr. Donaldson & Mr. Cope

### Nativity Trail

Reception and Key Stage 1 are looking forward to presenting 'A King is Born' next Wednesday at 2pm and 6pm. Letters have been sent to all families – if you have any questions, please don't hesitate to contact your child's teacher.

The children have been working very hard in preparation for the performances – thank you for your support at home. We hope to see many of you next week at the event.

### Christmas Post

Our Christmas post-box will be in operation from Monday, with some hard-working Year 6 elves operating the sorting office. Please make sure cards have children's name and class clearly written on the envelope. We encourage all children to use the post-box to minimise disruption to learning and ensure all cards get to their intended recipients!

### Governors' Corner

I visited school last week to meet the SENDCo, Mrs Cromey-Hawke. She showed me round the school and it was a pleasure to see all the children working hard and using a variety of resources independently to support their learning. The staff work hard to make sure that the individual needs of the children are met wherever possible.

### Around the Classes...

**Robin Class:** This week we have enjoyed our key text, 'We're going on a Bear Hunt'. We have been thinking about our own versions, and what astonishing animals we might find on our hunt. We have been sequencing the story of what happens. The children loved the 'Farming Christmas Quest'; finding out all about farm life at Christmas time and why farmers are so important! In Maths, we have been looking at subitising numbers, and counting amounts up to 10 adding decorations onto our tree! We have started Christmas crafts and how far away our Nativity is too!

**Kingfisher Class:** It has been a very busy week in Year 1 and Year 2! In Maths, we have continued to investigate subtraction – with Year 1 developing their skills of taking away within 20 and Year 2 learning to take away in multiples of 10. In English, we have continued to create our own stories based on 'Billy the Beast'. We've also been showing off our learning from this term in some assessments and have worked very hard! We've even found plenty of time to squeeze in some rehearsals for the Christingle and 'A King is Born'. Please send any costumes from home in by Monday – we can't wait to share it with you!

**Goldfinch Class:** We had a festive start to the week, preparing for our upcoming Christingle Service where we hope many of you can join us. And of course, Sedrick the Elf joined us; however, he's a very kind elf! We have also had fun practicing our times tables using Times Tables Rockstars, please encourage this at home as this will help the children in the near future. In Maths, we have delved deeper into arithmetic and reasoning as the children have worked hard completing their end of term assessments whilst in History, we have explored Marie Curie and learned more about why she was a great history maker. And finally, feel free to check our French knowledge, ask us some colour names in French!

**Partridge Class:** Partridge Class have worked incredibly hard this week, completing their assessments and showcasing how far they've come in only a term! The children also had a lovely night getting into the festive spirit at Film Night on Wednesday. In Music, we learnt about four composers through song and created rhythmic chants to accompany their names... See if they can remember all four of them!

**Woodpecker Class:** Our Year 6 children have really aspired and excelled this week in many ways! On Monday, we began rehearsals for the Christingle Service, with each of them really stepping up and volunteering for individual lines as well as singing solos! Throughout the week, we have been completing our assessments for the Autumn Term in Reading and Maths – again, the children have really persevered and showed great determination to show off what they have learned so far this year. And finally, the children were brilliant on Wednesday morning during the Sportshall Athletics competition where, as always, they did themselves and the school proud.

### Safeguarding Reminders
