Parents Evening – What to Expect...

Dear Parents,

Thank you for making an appointment for a parent consultation. We are looking forward to sharing your child's learning with you.

The teachers will discuss with you the following areas:

- General issues specific to your child e.g. attitudes to learning, attendance, lack of PE kit
- Social and emotional health issues e.g. friendships, resilience, perseverance...etc.
- Where your child is attaining in terms of national expectations for their age in reading/ writing/maths.
- Next steps in learning for your child—whatever their ability, we all have things we can learn next.
- Any additional information e.g. if your child has extra support and why.
- How you can help

Kind regards,

Mr. S Donaldson

Headteacher

Caring – Aspiring - Excelling
